Adam Fieled (editor, Philadelphia, Pa): Apparition Poem #1613

#1613

Follow Abraham up the hill:
to the extent that the hill is
constituted already by kinds
of knives, to what extent can
a man go up a hill, shepherd
a son to be sacrificed, to be
worthy before an almighty
power that may or may not
have had conscious intentions

where hills, knives, sons were
concerned, but how, as I watch
this, can I not feel that Abraham,
by braving knives, does not need
the one he holds in his rapt hands?
